

## Kathy Outdoor Seating System

designed by Palomba Serafini Associati

Il progetto Kathy esprime appieno la filosofia progettuale dei suoi designer: riscoprire il piacere di vivere all'aria aperta, attraverso arredi accoglienti capaci di combinare estetica italiana e comfort. La collezione include un sistema di sedute componibili in legno Iroko, contraddistinto da linee essenziali, comprensivo di divano a 2 o 3 posti, poltrona e pouf; elementi accostabili, per creare configurazioni sempre diverse, spostabili a piacimento e ricomponibili.

The Kathy series embodies the designers' vision of rediscovering the pleasure of outdoor living through a selection of captivating elements that combine comfort and Italian aesthetics. The collection includes a deceptively simple, modular seating system in Iroko wood comprising a two- or three-seater sofa, an armchair and an ottoman. Each piece can be placed alongside the other in multiple positions or even used separately for maximum flexibility.

Sistema di sedute da esterno comprensivo di divano, poltrona e pouf (quadrato o rettangolare) in legno Iroko e rivestimento in tessuto idrodrenante. Divano disponibile a 2 o 3 posti (lineare e/o componibile) e angolare, vendibile anche singolarmente. Scelta dei materiali come da catalogo. **Struttura** — Struttura in legno Iroko naturale con finitura opaca, con cinghie elastiche esterne e logo FENDI inciso nelle

gambe. Elemento di giunzione per tutti gli elementi componibili del divano. **Seduta e Schienale** — Imbottitura specifica per outdoor idrorepellente senza cuciture. **Rivestimento** — Tessuti specifici per esterno, a scelta tra: Ubud, Bali, Koror, Palau, Ulong, ciascuno disponibile in quattro colori. Cinghie elastiche disponibili nei colori Marrone, Beige, Verde, Blu e Bianco ghiaccio.

The outdoor seating system includes sofa, armchair and ottoman (square or rectangular) in Iroko wood and specific outdoor fabrics. Sofa is available with 2 seats, 3 seats (linear and/or modular) and a corner which is also sellable on its own. Choice of materials as per catalogue. **Frame** — Structure in matte natural dyed Iroko wood, with outdoor elastic straps and FENDI logo engraved in the legs. Junction element for all

the combinable components of the sofa. **Seat And Backrest** — Specific padding for outdoor use, water repellent and seamless. **Upholstery** — Specific outdoor fabrics: Ubud, Bali, Koror, Palau e Ulong, each of them available in four colours. Elastic straps available in Brown, Beige, Green, Blue and Ice-white.
